

2025 Daniels Farm Farmers Markets

Thank you for your interest in becoming a vendor for the 2025 farmers market season. We are grateful for the community of vendors who attend and together create the Daniels Farmstead Farmers' Market; participation as a vendor requires commitment to the Sunday Market Season.

The Farmers' Market Season begins on the first Sunday of July and continues through each Sunday (rain or shine), to the first Sunday of October. Special events are held throughout the season, and are most often hosted in conjunction with the Farmers' Market. In addition to Sunday Markets, the Daniels Farmstead Farmers' Market special events are well attended.
